

SUN BEAMS

By WALTER M. BARRETT

Truckee has in its utility district an extremely valuable asset to the town and its successful operation removes all doubt as to what may be accomplished by uniting our best efforts. Much of this success has been due to the fact that the people of Truckee have been careful in the selection of a board of directors. Men have been selected who have been active in public affairs and who are recognized as interested in the welfare and growth of the district. Throughout the state the operations and accomplishments of the district have received a great deal of favorable comment from those experienced in such public undertakings. It has kept to a well-defined continuous policy of management and in considering new rates, it has always planned to keep them sufficiently high to provide the capital necessary for ordinary extensions and additions required to the distribution system. Tuesday you will be called upon to select two directors. We only ask that you go to the polls and place your cross after your choice to manage the district. We make no recommendations.

Don't forget fishing season opens on May 1—next Monday morning. If you haven't already done so, get out your equipment and check it over. Get a good start because we believe its going to be one of the biggest opening days for many years and if your favorite hole is occupied it will be your own fault. Fishing will be permitted after 4 a. m., according to the knowing ones.

CHURCH NOTES

Rev. G. J. E. Keetch reports that the attendance at the Sunday school of the Community Church reached a new high last Sunday with 76 present for the classes.

Beginning next Sunday morning mothers of small children who wish to attend morning worship at 11 o'clock may leave their children in charge of competent committee who will care for them in the parsonage.

An interested group of young people met in the church Sunday evening for the purpose of forming a young peoples league. They will meet again next Sunday evening at 6 o'clock. The meeting will be an echo meeting from the conference Saturday. Dorothy Barrett will be the leader. All young people are invited.

Approximately 60 people attended the Family Night dinner of the church last Friday. The next dinner will be held Friday, May 12 and will be a banquet with mothers as the guests of honor.

TWO GIRLS' CLUBS NAME OFFICERS IN LOCAL MEETINGS

Two girls' clubs were formed last week under the auspices of the Community Church. Both groups met Wednesday after school, the younger group under the leadership of Mrs. C. C. Vallow and the older under Mrs. G. J. E. Keetch. Monday evening the latter group held their second meeting in the church and elected the following officers: president, Mary Pierce; vice president, Yvonne Joseph; Secretary-treasurer, Mildred Hale and door keeper, Betty Pearson. Their next meeting will be a nature study hike under the leadership of Mrs. Irving Astemann.

ELEVEN MASONS AT RENO MEETING TO HEAD STATE HEAD

Eleven members of the Truckee Masonic Lodge last night motored to Reno where they attended a meeting of Washoe Lodge and witnessed the exemplification of the amplified third degree and heard an interesting address by Grand Master Elwood Beemer of Nevada.

From Truckee went Colin Campbell, Charles Cozzaglio, A. R. Ghirard, George Hume, Alex Robertson, Sam Fellett, Joe Zorich, Harold Laity, Hollis Hough, G. E. Hofmann and W. F. Wilkie, Jr.

LOCAL BOYS GIVEN FRATERNAL DEGREE

Earl Edmunds of Truckee and Douglas Smith of Lake Tahoe were two of the four men initiated into the Nevada Chapter of the Sigma Alpha Epsilon fraternity at Reno last week.

Brief talks by the initiates and chapter leaders followed the ceremony.

Program Tonight For Observance Of Schools Week

Twentieth Observance Will Be Featured With Program

MASONS IN CHARGE

Public Invited to Grammar School Auditorium Tonight

Observance of the 20th annual Public Schools Week, sponsored by Truckee Lodge No. 200, F. and A. M., will be highlighted with a program at the grammar school auditorium tonight at 8 o'clock. The committee in charge comprises G. E. Hofmann, W. F. Wilkie, Jr. and H. Willis.

The principal talk of the evening will be delivered by Rev. J. G. E. Keetch, pastor of the Community Church.

The complete program follows: Salute to our Flag—Audience. Song, America—Audience. "How We Get Our Time" by Dick Weeks.

"Learning to Think Correctly" by Betty Bick.

Group Singing (There are Many Flags in Many Lands).

Piano Solo by George Kamp.

A paper on citizenship by James Leamon.

Some compositions written for the language class: Alex Clements, Harry Digesti, George Keetch, James Thomas, Charles Gates, Marjorie Parr, Margaret Carson, Earl Smith, David Bolender, Peggy Miser.

Piano solo by Verna Pearson.

Address by Rev. Keetch.

Poem by Laura Angelini.

Violin Solo by Yvonne Joseph.

Democracy as a Way to Life by Mildred Hale.

Piano Solo by Barbara Bolender.

Group Singing.

ELDEN TONINI WILL OPERATE GROCERY AS CHANGES MADE

Elden Tonini, formerly employed by the Rotary Oil and Burner Company has resigned his position there and is now engaged at the Tonini Grocery with his mother, Mrs. Annie Tonini and uncle, Ben Tonini. LeRoy Wilson has also been added to the staff at the store.

Clair Good, who recently disposed of his interests in the Standard Auto Service Garage, now operated by George Markell, has accepted the position with the Rotary Oil made vacant by Tonini's resignation. The duties are not new to Good, who formerly held the position he has assumed.

MAN LOSES GUNS FOR KILLING ROBINS HERE

Dan Esola, 60, local wood chopper was given a \$25 suspended fine and two guns belonging to him were confiscated Saturday when he pleaded guilty before Justice of the Peace C. E. Smith to a charge of killing robins. His son, John Esola, arrested with him by Game Warden William LaMarr entered a plea of not guilty and was freed.

The two were arrested north of Truckee near the Euer ranch and 25 robins were found in their possession. The elder Esola acknowledged full responsibility for the slaughter of the birds which are never in season.

Oregon Visitors

Mr. and Mrs. Gordon Canady of Chiliquin, Oregon, were the weekend guests of relatives in Truckee and Sparks. Mr. Canady is a former resident of Hobart Mills.

Injured in Wreck

Friends of Mrs. Oscar Lindsay of Redwood City have learned of her being injured recently in an automobile wreck. The Lindsays are former residents of Hobart Mills.

Mrs. H. E. Canady and son have returned from a vacation visit in San Francisco and attended the exposition while there.

FUNERAL SERVICES FOR ROBERT TONINI WERE HELD HERE

Funeral services befitting a man of his prominence in the community were held Friday afternoon for the late Robert A. Tonini.

Masonic hall was crowded with sorrowing relatives and friends and the casket and altar were piled high with flowers as George Carson, the master of Truckee Lodge No. 200 F. and A. M. conducted the Masonic rites.

A duet was sung by Mrs. D. D. Guthrie and Charles Worsham and the Truckee choir also rendered music. Mrs. George Kamp was at the piano.

Members of the Odd Fellows lodge of which the deceased was a valued member attended the rites in a body.

Pall bearers representing the local Masonic and Odd Fellows Lodge, the Lions Club and business associates were Robert Maxson, Hollis Hough, George Pace, George Andrich, William Englehart, Sr. and C. E. Smith.

Following the services here the body was sent to San Luis Obispo, Tonini's former home, for interment. The W. H. Laity Funeral Home was in charge of the services.

RENO MEN FINED ON RECKLESS DRIVE CONVICTIONS HERE

One Reno man was fined \$50 and a second started serving a 20 day jail sentence Sunday after they had appeared before Justice of the Peace C. E. Smith on charges of reckless driving and violating County Ordinance 136.

Harry Fritschie, 53, paid the fine and was released and his companion, Don Crouch, 40, was escorted to the county jail at Nevada City.

The two were arrested by Traffic Officers A. C. Barrick and Charles McKeen Sunday morning as they drove into Truckee. Both had been drinking, according to the officers.

PERN ANNE KIELHOFFER TO OBSERVE BIRTHDAY

Little Pern Anne Kielhofer is being feted on her first birthday anniversary by her tiny friends at the home of her grandmother, Mrs. Anton Filippic this afternoon.

Balloons and spring flowers will blend with the blue and yellow color scheme for the festive caps and other favors. One candle will center the cake which will be shared by the following young guests and their mothers: Sharon Pace, Doris Zoebel, Stanley Martin, Mary Ann and Bobby Tonini, Carol Van Loven, Ronald Gifford, Gloria Sanders, Tori Dolley, Noel, Dorothy Lou and Baby Hampton.

Pictures will be taken during the afternoon of the children who are present.

Directors Of District Delay Appointment Here

The meeting of the Truckee Public Utility District directors on Tuesday afternoon was devoted to regular business routine and in adjournment the memory of Robert Tonini, auditor of the district since its organization, was honored.

The appointment to fill the place made vacant by Tonini's death, was deferred until after the election of directors on May 2.

Home Again

Friends are glad to learn of the return of Mr. and Mrs. Carl Smith from San Francisco where Smith was treated in a hospital for injuries in an automobile accident in Sacramento while crossing a street several weeks ago. The driver of the car which struck him is being held on a felony warrant charging him with drunken driving. He has asked for probation.

In Truckee

R. H. Strosneider of Los Angeles and Lake Tahoe was in Truckee on Monday on business prior to the opening of his lake motel.

Return Home

Mr. and Mrs. Frank A. Wilson have returned home after spending two weeks at Nevada City and Auburn. Wilson attend a land case in Auburn.

Youth Conference Here Saturday To Draw Big Crowd

Interesting Speakers Here To Headline Program Saturday

Plans are moving forward apace for the high school boys and girls conference to be held next Saturday in the grammar school auditorium.

Headline speakers for the conference will be Lloyd Sweetman and Chard Everts. Sweetman is athletic director for a Sacramento high school and has traveled in China and Japan. Everts is director of boys' work of the Sacramento Y. M. C. A. These two popular leaders are contributing their time and energy to the conference and will receive only their traveling expenses for the trip.

At nine o'clock the delegations from the neighboring high schools will register with Barbara Bolender, Patricia Carson, Vivian Ogan, Bill Nethercutt, Keith Weeden and Jack Tolles. Each registrant will pay a fee of 50 cents which will cover all his expenses for the conference including the banquet.

The banquet will be at 5:30 and will climax the day's program. It will be served in the Community Church by the ladies of the church. The closing address of the conference will be given at the banquet. Invited guests at the banquet will include C. B. White, president of the local chamber of commerce; Benjamin Tonini, president of the Lions Club; Joe Mattos, president of the Rotary club; P. R. Nelson, principal of the grammar school and Walter Barrett, editor of the Sierra Sun.

Arrangements for the conference are being made by Rudy Abrecht of Marysville, associate area secretary of the Mountain District, Y. M. C. A. of Northern California; G. E. Hofmann, principal of the high school and Rev. G. J. E. Keetch, pastor of the Community Methodist Church.

PIONEER CLUB HERE SELECTS OFFICERS

The Pioneer Club held its weekly meeting Tuesday evening in the Community Church. Frank Gaiennie gave the boys their third lesson in Red Cross first aid which they are studying.

After the study the following officers were elected as follows: Chief, Ranger, Alex Clements; deputy ranger, Sammy Costa; recorder, David Bolender; treasurer, George Keetch. Beginning next week the boys have decided to pay dues of five cents per week to provide a fund for the club.

Truckee People Leave Soon On Eastern Tour

Mr. and Mrs. Charles Worsham plan to leave on Saturday for a trip to Tennessee and other states accompanied by Mr. and Mrs. R. H. Worsham of Sacramento, brother and sister in law of the former.

While in the east the local people will take delivery of a new automobile.

On May 17 Worsham will be in charge of the Standard Oil company station at Tahoe for the summer months. Elmer Ford, formerly of Reno and Jack Garrison will operate the local station during Worsham's absence.

Cinema Ball Plans Are Completed At Tahoe

TAHOE CITY, April 27.—Plans for the Cinema ball to be given by the Lake Tahoe Ski club in the community hall next Saturday night include many novel numbers and attractive ideas. The large hall will be made to represent a movie set wherein would-be Claudette Colberts, Bette Daves or Clark Gables and maybe Donald Ducks may enact their parts. Awards for the best characterizations will be made.

In Nevada

Henry Locher and John Cabona of Truckee were in Carson City on business Wednesday.

WATER NOW UP TO SPILLWAY AT BOCA DAM, SAYS REPORT

Federal reclamation officials announced in Reno this week that stored water in the new reservoir at Boca has reached the spillway level and that a small amount of water is flowing into the Truckee river.

The reservoir contains approximately 27,000 acre feet of water, which in part, will be released for irrigation during the late summer.

There is considerable work to be done in the installation of needle valves at the dam, but this will not prevent the release of the water.

The reservoir at its present level covers 820 acres. When completed it will have a capacity of about 40,000 acre feet of water.

SCENES OF EASTERN HURRICANE ARE SHOWN AT MEET

Truckee Lions last night had an opportunity to see the great damage done in New England last September by the hurricane which spread death and disaster over five states.

The scenes were in motion pictures presented by Tom Grimshaw of the Pacific Telephone and Telegraph Co. who was the guest of A. P. Leitch, local company manager. The film, with Edwin C. Hill as commentator depicted the work of the telephone employees, rushed to the scene from 20 states in reconstructing and keeping service going in the face of the disaster.

The picture, entitled "Hurricane Challenge, was designed to show the Bell System in its greatest challenge. Two other films, "News and Views" which showed how tests are made to keep communication between airplanes and the ground, and "Looking into Metal" a technical movie of a huge camera photographing steel monicules, were also shown by Grimshaw.

O. BOHME OF TAHOE OBSERVES BIRTHDAY AT FAMILY AFFAIR

Mr. O. Bohme, Sr., a long-time resident of Tahoe Vista, celebrated his 67th birthday in perfect health and is alert and works and dances like a man of 40.

Mrs. Bohme and their son, Harry and wife and some friends were with him for the event. On the previous weekend, his children from the bay area celebrated the occasion at the lake.

Mrs. Bohme, who cannot remain at the lake during the summer, is leaving the first of May for a prolonged seatrip through the Panama Canal, mainly for her health and to see her homeland after an absence of 40 years. One of her daughters will accompany her and they will be gone about six months.

TAKE CARNELIAN COTTAGE

Major and Mrs. Philip R. Upton from Fort Meade, South Dakota, old friends of Mr. and Mrs. Carl Zinsmeister of Carnelian Bay, have taken one of the Carnelian Village cottages for the season.

Visits Wife In Hospital

Percy W. Lazier was a Sacramento visitor on Sunday, going down to visit with his wife who is a patient in a hospital there.

Hold Meet Tonight

The Truckee Union Parents and Teachers Association will hold their regular meeting in a classroom of the grammar school tonight at 7:30 and will close punctually to enjoy the Public Schools Week program to be held in the auditorium.

To Attend Funeral

James Gleaton of the local forest service expected to attend the funeral of Mrs. Peter Land in Sacramento today. Mrs. Land was the wife of the district ranger at Sierraville and died in the capital city in Tuesday.

Returns for Summer

Mrs. W. B. Gelatt has returned from San Francisco to open the Donner Lake Camp for the summer. She expects to have the resort operating during the coming month.

District Officers To Be Elected At Polls On Tuesday

Four Candidates In Field To Fill Two Posts On Board

STATEMENTS ISSUED

Interest Gains In Balloting For Directors Of District

Considerable interest in being manifested in the approaching Truckee Public Utility District election for directors scheduled for next Tuesday. Four candidates have entered the contest, all widely known local residents. Two, C. B. White and Frank S. Powell are incumbents and the others are W. F. Wilkie, Jr., and Benjamin Tonini.

So that the voters may know the policies of the men seeking election, The Sierra Sun has invited a statement from each. The incumbents choose to make a joint declaration indicating their purpose to run as a team.

Tonini declined to make a statement at this time.

"Because of recent occurrences, I do not feel like making any declaration now," Tonini said when asked for his platform.

White and Powell issued the following declaration:

"We point with pride to the accomplishments of the district:

"Rates have been lowered over 300 per cent.

"Service of the district has been extended and improvements added to the value of thousands of dollars—without one cent of taxes.

Street lights have been extended from 10 to 52 lights—five times the number giving nine times the light—without one cent of taxes.

"Money has been contributed liberally to every public enterprise from fish rearing to winter sports as well as numerous public celebrations.

"Financial assistance has been given to the unemployed by contributing material and supervision to CWA WPA and SERA projects.

"District has developed a water system and laid several hundred feet of mains to supply a new addition to the town—without one cent of taxes.

"Twenty-two acres of ground have been bought and donated for public purposes.

"Engineering and legal studies have been undertaken looking toward the acquisition of the private water companies with a view of reducing the water rates of the town.

"Engineering and legal studies have been undertaken with a view to building a power plant, so further reductions in rates may be made.

"A surplus has been maintained in the treasury for emergencies.

"Criticism has been made of legal expenditures. Much of this expense may have been eliminated had the town been incorporated, as the district has followed an unchartered course because it is the only one of its type operating an electric system in unincorporated territory in California. This has necessitated considerable legal advice and expense.

However, to date the district's attorney has been successful in keeping us out of expensive lawsuits, which might have fallen heavily upon the taxpayers of the district. The danger of unwise economies might bring taxes upon the property owners is one that we have constantly guarded against.

"We stand upon our record and if reelected assure you of our continued efforts to LOWER RATES AND IMPROVE THE SERVICE.

"We trust our efforts merit your continued support."

Wilkie had the following to say:

"In permitting my name to be placed on the ballot as a candidate for director of the Truckee Public Utility District, I had only one purpose in mind and that was the hope that I might be elected in order to promote increased development of the district at less cost.

"I have no criticism for the present board. The management has

TAX GOVERNMENT BONDS

The Supreme Court's decision that government employees may be taxed, in the opinion of a number of well known attorneys, opens the way to stopping the issuance of tax-free government bonds, if Congress will pass a bill to that effect. According to the legal experts, the principle is identical and there is no constitutional obligation which holds that government securities must always be tax free.

Various high government officials, including several presidents, have at times spoken of the desirability of taxing government bonds. At present, government issues are a haven for those who wish to escape taxation of income. In many cases, where large sums of money are involved, the net return to the investor on a government bond paying three per cent is larger than on a private security paying five or six. Two unfortunate results follow this. First, the nation is deprived of tax revenue from the billions of dollars worth of government issues now outstanding. Secondly, the attractiveness of tax-free bonds deprives private industry of capital it sorely needs.

Certainly there is no reason why a man with an income in five figures from government bonds should entirely escape taxation, while a man with an income from private sources is taxed to the hilt. And, as matters stand now, when private industry goes into the money market for the capital needed for expansion and improvement, it cannot compete with the tax-free issues. More and more of the nation's wealth is going into no-productive channels—at the expense of private employment and opportunity.

The court decision making possible the taxation of government workers on the same basis as private workers is a long step in the right direction. The next step should be a refusal by Congress to permit the issuance of any more tax-free securities.

THE WAGNER ACT

Senator Robert F. Wagner, the father of the National Labor Relations Board, has taken the first step; we may now hope that he will become realistic about his creation, forget his mother-love complex for it and permit Congress to proceed with full hearings to get the real kinks out of the law.

The step Senator Wagner took was a half-hearted confession that the law needs perfecting and another half-hearted expression that if others thought that under the act an employer was denied the right to ask the NLRB for an election it might well be made more specific. He did not admit, however, that his act denied such rights to employers.

Wishy-washy tough his stand may be, it is a start. The Senate Labor Committee faces a tough job, but it is a job well worth the doing, or a considerable body of labor itself, the A. F. of L., will remain unsatisfied. Only full and complete hearings will reveal whether charges that the act itself—not the board so much—is one-sided, whether the act cut down labor disputes or whether public opinion forced a cessation of such hostilities.

FOUND: THE REASON

Perhaps some New Dealers are not so enthusiastic about the Constitution because it guarantees every state "a Republican form of government." Could be!

Keeping the Old Pot Boiling

POLITICALLY SPEAKING

by JOHN W. DUNLAP
United Press Staff Correspondent

SACRAMENTO, April 27 (UP)—It is doubtful if any Governor in California history has had quite as many unfortunate experiences in his first months of office as Culbert L. Olson.

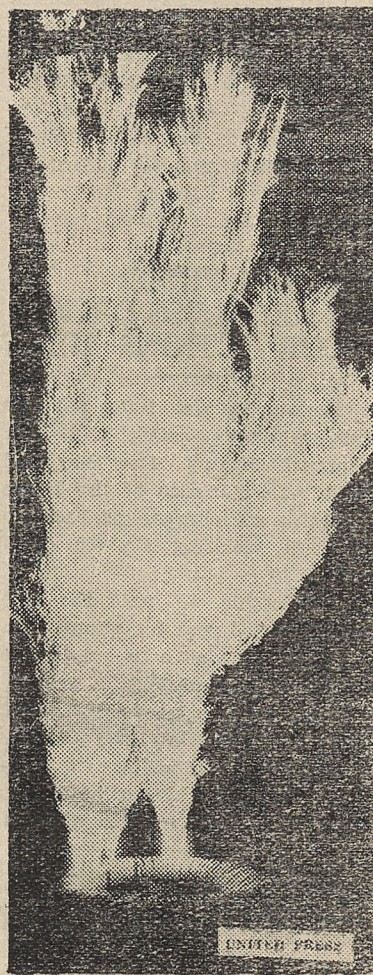

His wife's illness prevented her from sharing with him many of the inaugural ceremonies in January, although both overcame physical weariness to attend the inaugural ball. The next day, after the spectacular and grueling Mooney pardon hearing, the Governor collapsed. His weeks of convalescence seriously hampered the preparation of the budget and shaping up of various administration policies, including naming of important department heads.

Finally back at his desk and resuming state business with his customary vigor, the Governor was saddened by the sudden death of his wife. While bearing up well, the chief executive was ordered into complete seclusion with his three sons for at least 10 days or two weeks. The enforced rest came right in the midst of a bitter legislative battle on his budget and a time when the administration Democrats needed their Governor as never before.

In addition to his own personal misfortunes, the Governor has been beset with criticism and strife of all kind, particularly on handling of unemployment relief and the size of his budget. It is no exaggeration that no job in California is more exciting or difficult than that of Governor.

The controversial question of whether San Francisco will regain control of its state-owned harbor was no nearer solution today. Apparently

1,000,000 VOLTS

PASADENA, Calif: Here's how a million-volt, man-made bolt of lightning looks like, as demonstrated in the high voltage laboratory of the California Institute of Technology.

stymied in the Senate Commerce and Navigation Committee, the bill seemed likely to die a natural death. The committee stands 3 to 2 against reporting it out and the Senate is lined up in about the same ratio. The Assembly measure passed by a good margin in the lower house.

Senator Arthur Breed, of Piedmont, chairman of the committee, says he is not convinced that the state is doing a poor job of running

the harbor and that the whole state has an interest in the port. He suggested, when the mayor of San Francisco paid him a visit to try and win him over, that San Francisco come to the Legislature with some proposal for more efficient management of the harbor, instead of local control.

Breed added that it was his belief the San Francisco delegation would continue trying to force the bill thru the Legislature, and failing, would then consider some sort of proposal after the session is over.

After treating the Legislature to a free trip to the harbor and World's Fair, some of the bay area legislators and lobbyists thought the Legislature ought to reciprocate by passing the bill, but this seems a bit improbable at this writing.

Internal troubles came to the surface when the Board of Equalization considered the budget. Fred Stewart

got wide publicity when he issued a statement that the board would be glad to help make economies such as the \$1,800,000 slice made in the ten million dollar appropriation for the board for the next biennium.

There was quite a lot of hullabaloo over Stewart's action, with the other four members shortly retaliating with a statement that any such budget cut would cause great loss of revenue to the state through cutting of auditing personnel.

The majority opinion pointed out that the board must make "impartial and efficient assessment of approximately 71 per cent of revenues for all governmental purposes, including the furtherance of education, provision for relief and maintenance of modern standards of public service in California." Budget cuts proposed by the economy bloc would slash the auditing force by 40 per cent, it added.

Somewhere in between probably lies the answer to what the board needs for efficient operation.

Night sessions and a general hurry up on business will soon be the order in both houses. The Assembly is hundreds of items in arrears, thanks to the extended budget argument. The Senate is in fine shape but with about one month remaining of the period during which legislators receive pay for their work, extra hours will be added to sessions to prevent the session running much past May 20.

FISHING PROMISES TO BE GOOD ON OPENING DAY, MAY 1

TAHOE CITY, April 27.—Fishing conditions in the Tahoe country are better this year than they have been for many seasons. As the biggest runoff of water from melting snow has already passed, streams are now clear and not too high and local experts say that there are more fish present than there have been for years.

Some flyfishing should be possible on the upper end of the Truckee. It is inadvisable in the lakes, however, where minnows or plugs are recommended. All streams about the lake open on May 1.

BOOKS DONATED TO TAHOE LIBRARY BY TWO DONORS

TAHOE CITY, April 27.—Dr. and Mrs. George H. Hinkle of Lakeview Drive, have given to the Tahoe branch library a fine copy of the new book "Escape to Life" by Erika and Klaus Mann, in memory of their late friend, Judge George Bliss, who died March 15.

Richard Gordon Hinkle gave a copy of a book on the costumes of many lands in memory of his little friend Billy Hunkins who died last winter.

FEDERAL SURVEY OF TAHOE SCHOOLS IS NOW COMPLETED

TAHOE CITY, April 27.—A survey of all the schools in California under the direction of the United States Department of Agricultural Economics has just been completed in the Tahoe district. Included in the survey were the number of children of school age who had entered California since January, 1930, there being 13 in this group in the Tahoe schools.

Patronize Local Merchants

PUBLIC SCHOOL WEEK PLANS ARE MADE IN TAHOE DISTRICT

TAHOE CITY, April 27.—The fifth grade of the Tahoe Lake grammar school entertained at a pleasing banquet and entertainment last Friday night in the grammar school building. The program included: a song by Mrs. Stella Watson; talk on Mexican trip by Billy Heier and the balance of the evening was spent in playing Chinese checkers and community singing.

Tahoe Lake grammar school will observe Public Schools Week by presenting a dramatization of local history in the school auditorium on Friday afternoon. Included in the drama will be the story of the historic old boat The Meteor, fastest boat on Tahoe in the early days.

Elwyn H. Gregory, county superintendent of schools for Placer county and Dr. John Napier, principal of the Placer Union high school at Auburn, were visitors in the Tahoe schools last Tuesday.

KING'S BEACH ITEMS

One of the busiest men in King's Beach, John Gallorani of A. Gallorani and Sons, is constructing some very artistic stone work at Gateway Park for Dick Joseph of Truckee.

Among the new residents of this area are Mr. and Mrs. George Ellyson. Mr. Ellyson will manage the King's Beach Garage. Mrs. Ellyson has been prominent in Eastern Star and White Shrine activities in Southern California.

We seem to have really welcomed spring in this community. As indicated by the following: The Tomasens have enlarged the Half Way Store in order to take care of their increasing business; Fred Barton has his electric supply shop well stocked and the new cottage he is building well under way; R. H. Welch is very much in demand for plumbing service and supplies; Earl Nelson is improving

Club Women Hold Meet At Tahoe; Group To Start Music Division

TAHOE CITY, April 27.—Eleven members of the Third Wednesday Club of Grass Valley and Nevada City held a meeting of their organization last Wednesday at the home of Mrs. Stella Watson of Tahoe City. In the group were Mesdames Hieronimus, Butz, Fontz, Kite, Bush, Foley, McLaughlin, Bennett, Schwartz and the joint hostesses, Mrs. Johns and Mrs. LaTour.

A choral society for Tahoe City is to be organized in the auditorium of the grammar school next Wednesday night at 8 o'clock under the direction of Mrs. Tejas Edwards of Lake Forest. All are invited who are interested in music and are urged to attend.

SAM GOSS NAMED TO HEAD TAHOE CARPENTER UNION

CARNELIAN BAY, April 27.—At a meeting of Union No. 2035 of the Carpenters and Joiners of Lake Tahoe this week, C. W. Petersen of Carnelian Bay resigned as the president and business manager and Sam Goss of Tahoe was named in his place as president. The business agent will be named at a special meeting next Monday.

Mrs. Faye K. Russell, county librarian of Placer county was a visitor in the Tahoe schools and the Tahoe library on Friday and brought several new books. During her visit to the schools the children reviewed several books for her and presented a short historical drama.

The Lions Club's dinner in Sparks last Saturday night was attended by Mr. and Mrs. A. M. Henry, Mr. and Mrs. Joe Duffee and Mr. and Mrs. Al Hull all of Tahoe.

his garage and service station; Fritz Lentz is busy with his garden and improvements on his curio shop; Joe King has a large crew employed at King's Beach Resort landscaping and improving the property; Since A. Gerardi arrived and turned on the water spring activities have been in full swing.

A large streamlined Greyhound bus conveying members of the Kirkland tour from St. Louis via Los Angeles spent 30 minutes at Tahoe on Wednesday.

SAVE at Bank of America

where complete borrowing facilities are available

It is not only convenient, but it is also good business to have your savings account in the neighborhood branch of Bank of America. Bank of America is the only statewide bank which makes available every personal or family lending service for the average man and woman. Your savings account may be opened for as little as \$1.00.

Symbols of Strength and Protection!

Your savings funds in Bank of America enjoy the protection of America's fourth largest bank... a bank with large capital and diversified statewide resources... a bank which is a member of the Federal Reserve System and the Federal Deposit Insurance Corporation.

Tahoe Ramblings

By Anne B. Anderson

Mount Rose at the north end of the lake still offers good ski slopes for the ski fans. On Sunday the Tahoe club's ace jumpers, Sig Ulland and Dave Renner practiced on the slopes.

Traffic was heavy all around the lake over the weekend with many foreign cars noticed presumably en route to the fair.

Tahoe Tavern golf course is being prepared for the season under the supervision of Johnny Perrelli, Tavern pro, who won consistently at all meets entered during the past winter and while entered in the fifth annual national amateur professional tournament at St. Augustine, Florida, met and beat Gene Sarazen.

Tahoe women who attended the tri-county health unit meeting in Auburn on Wednesday were Mrs. Henry Soll, Mrs. Henry Worden, Mrs. Philip Gallinger, Mrs. E. H. Pomin, Mrs. Charless Swanson, Mrs. George H. Hinkle and Mrs. A. M. Anderson.

Jack Malcolm will begin work in a few days making adjustable shelves for the non-fiction section in the Tahoe branch library which he is doing as an added contribution to his work for the library.

An ice cream company from Reno has bought the Herbert Nichter property on the main highway at Lake

Forest which they will use as a supply base. The firm will begin remodeling the property May 1. Noel Hulbert will be in charge of the plant and will move his family to Tahoe.

HOW FLYING A GAVE JOHNNIE "A" —AND GAVE US A BETTER RUNNING CAR

JOHNNIE DIDN'T KNOW IT, but he certainly did this family a big favor. All of a sudden he became more enthusiastic about his school work. The reason: Johnnie had discovered the Associated Stamps of the West. Then the whole family began collecting...

Flying A gasoline is always just right for maximum power, a quieter, smoother running motor. Flying A is changed over 30 times each year to keep its volatility characteristics correct. So whenever you buy it—whenever you buy it—Flying A is climatically correct. Fill up with Flying A today.

EDUCATIONAL STAMPS. From the free Stamp Book we learned many new things about this fascinating West of ours. Johnnie's enthusiasm for the stamp game paid off on his last report card. So we say "Flying A gave Johnnie A"—and Flying A gave us a better running car.

AND SERVICE THE WHOLE FAMILY LIKES

There's something about Associated the whole family likes. It's complete service—cheerfully given. Everything your Smiling Associated Dealer does for you—from sweeping out the floor boards to giving your car a complete lubrication—is another Associated Service cheerfully given. The educational stamp game—and Certified Clean Comfort Stations (now "for baby, too") are part of Associated's complete package of quality products and friendly services—dedicated to your family. So, let's get Associated with service the whole family likes. Start today. Get your free Stamp Book and the first of the 100 colorful stamps.

WITH YOUR ASSEMBLYMAN, THURMAN

(By Assemblyman Allen G. Thurman)

Your assemblyman lost and won in the legislation debated on the floor of the assembly last week affecting our Sixth Assembly District, so you know how it feels to lose as well as win them.

However the legislative fight we lost may only prove a temporary defeat inasmuch as we were able to have the matter held up in the assembly upon a motion to reconsider.

The bill lost was A. B. 814 which would allow a summary challenge of a trial judge.

A labor bill introduced by a Los Angeles assemblyman which would affect smaller communities because of certain labor hour restrictions was amended in the assembly by the representatives of the rural counties with the result that the author of the bill unable to recognize his own bill by taking out the hour clause and his bill was passed without any objectionable features as far as the smaller cities and counties were concerned. Other bills of this nature

are coming up and it will take considerable effort on the part of the rural representatives to prevent their passage.

It is such legislation as this that makes it necessary for the rural representatives in the lower house who are in the minority to keep on their toes to see that no objectionable features are permitted.

Four bills introduced by the writer passed the lower house during the last week. One of them would give to paid constables the right to have their automobiles declared emergency vehicles, allowing them a red light and siren to be used in emergencies. The bill, however, does not give them any exemption in case of an accident. Two other bills were amendments to the penal code relating to the payment of fines while the fourth was a bill relating to the right of privacy in advertising matters. These bills now go to the various senate committees for further hearings.

The fish and game committee of the lower house of which your assemblyman is a member has devoted a total of almost eight hours to hearing arguments favoring and opposing four alien fishing bills. The hearings have developed some interesting features, including the fact that the A. F. of L. opposes the bill and the C. I. O. favors the bill. On the other hand testimony was given that the United States Navy is interested in seeing such a bill pass and if the writer receives the information along this line he has asked for direct

MEN, MATERIALS MOBILIZED IN 'HOPPER WAR

COALINGA, Calif.: Threatened with the loss of their crops in California's rich San Joaquin Valley, these farmers mix poison bran mash to spread in the path of billions of grasshoppers. Federal, state and county agencies mobilized men and materials in the fight.

from Washington, we will vote for such a bill. Up to the present time we have opposed such a bill on the grounds that the bills as proposed were more or less a direct slap against one nation whose citizens cannot become citizens of our country and many of whom have American born children who are American citizens. Up to now we have felt that the spy angle and the flag waving was more or less propaganda to urge the passage of such legislation. However, if we are informed direct from Washington that the navy desires such a bill we will vote for it.

Your legislators in the lower house worked until midnight last Friday attempting to clear up the calendar which now has some 400 bills listed for consideration. The budget bill which was last week temporarily sidetracked, may come up before the lower house this week. The question now is whether we are going to do a good job on the budget in the lower house and send it over to the senate with 41 votes and let them take the full responsibility. The writer feels that in taking the \$73,000,000 relief item, as well as two other proposed appropriation items, the compulsory health insurance and the half million dollars for a new type of hospital for mildly insane persons, which is still in the experimental stage, out of the budget, if we do nothing more of the lower house have done our part in trying to assist the taxpayers. And just in case you do not know it has been estimated that the compulsory health insurance pro-

gram would cost the employers and the employees of the state about \$30,000,000 a year in payroll taxes. Think this over, Mr. Businessman and tax payers.

And just a last line. At the public hearing of the proposed compulsory health insurance bill held last Tuesday night in the assembly chambers a spokesman for the Non-Partisan League, representing C. I. O. unions offered an amendment to the bill providing that instead of the employer and employee each paying a one per cent tax, that the employer pay a tax of one and a half per cent and the employee pay one half percent. In presenting the amendment the spokesman told the committee that business could pass the extra tax on to the consumer. Just another hidden tax and once again Mr. and Mrs. General Public would be the goats. That statement ought to be sufficient to defeat such a bill.

PERSONAL ITEMS FROM TAHOE AREA

Mr. and Mrs. W. A. Simmonds of Tahoe City returned last Wednesday from a ten day trip to the fair and to Oakland where they visited Mr. Simmonds' daughter, Mrs. Russell Hartley.

Twenty-nine children and adults were present last Sunday morning at the American Sunday school union services in Community hall. Several new primary members were enrolled in the primary group were Shirley Eile, Elaine Edwards, Dorine Quam

GAME PRESERVES WOULD BE STATE CONTROLLED IN BILL

Janice Brodehl, Bobby Freese, Sheril and Linda Vander Ploeg and Ned Stewart.

A meeting of the Ski Club was held in the hall on Friday night. Plans for the Cinema Ball on April 29 were made and also plans to finish work on the ski hill. Twenty members were present.

Mrs. Everett Prusso of the attractive Prusso's Forest Inn on Ward Creek, returned on Friday from Louisville, Kentucky, where the family spent the winter. The popular resort will open in May for the busy summer season. With Mrs. Prusso were her children, Don, Sherwood, Ray and Theda. Mr. Prusso is expected to return during July.

Harry Ward manager of Tahoe Tavern was the weekend guest at the home of Mr. and Mrs. Matt Greer of Tahoe Park. While at Tahoe Mr. Ward was busy making plans for the season.

Work began this week at the property near the Tahoe Wye where H. F. Droste of Tahoe Realty Co. is having a hill excavated and ground leveled for new buildings.

Two new pupils in the high school this week are Sherwood Prusso and Cherrill Lowry the latter of Brockway, bringing the present attendance record of the high school to 24 pupils. The pupils in the arts and craft section have been making a wishing well on the grounds to assist in beautifying the school grounds. Barney Morrow, the janitor, has been helping by planting flowers.

On Monday the elevation of Lake Tahoe was 6222.96 feet. There was no precipitation during the past week. Temperatures varied from a high of 66 degrees to a low of 23. Only isolated drifts remain of the snow, pack except in Olympic canyon where about a foot of hard packed snow remains.

SACRAMENTO, April 27.—Senator Jerrold L. Seawell of Roseville has announced passage by the senate of two bills introduced by him providing for the establishment of auxiliary state game refuges and for licensing landowners who charge for hunting privileges on their property.

Senate Bill No. 327 authorizes the fish and game commission to establish and maintain reserves and propagation areas in suitable localities for the preservation and maintenance of game, free from hunting and trapping, excepting in such instances where the commission may deem the land suitable for such purpose.

Suitable land privately owned may be used for game preserves providing an agreement is reached with the owner or owners. Hunting rights will rest in the state, or owners or persons with legal rights for a period of ten years or more without interruption.

"Our stock of game is rapidly becoming depleted and this act will in a small way aid in protecting and further propagating the stock," Senator Seawell said. "California long known as a huntsman's paradise needs more protection of her wild life."

Senate Bill No. 328 stipulates authority for the fish and game commission to issue licenses for shooting preserves upon payment of \$10, where shooting does not conflict with the public interest.

2,200,000 RANGE OWNERS CAN'T BE WRONG!

Electricity Sets the Pace In Modern Home Cooking

The happy experience of over 2,200,000 electric range users proves that when you get a modern Westinghouse Range you, too, can enjoy all these — and many other — electric cooking advantages:

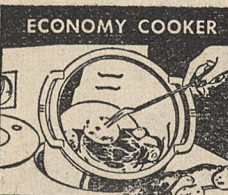

1. Better cooking results.
2. Less work — more leisure.
3. A kitchen that's always cool and comfortable.
4. Matchless safety.
5. Amazing economy.
6. Glorious cleanliness!

NO OTHER COOKING METHOD CAN GIVE YOU SUCH CLEANLINESS Electric heat is clean heat. Pots and pans stay clean, bright; kitchens keep clean longer, with less work.

Just look at a Westinghouse Rangel Notice its rounded corners and its Solid-Top Corox Units. Then you'll see why a rub with a damp cloth keeps it spotless. Come in. Let's talk it over.

THE WAILING WALL

WHY WAIL ABOUT BUSINESS? WHEN CONSISTENT ADVERTISING WILL REMOVE YOUR WORRIES

How It Happened

1. ACCORDING TO AN OLD LEGEND KALDI, AN ARABIAN GOATHERD, NOTICED THAT HIS GOATS BECAME STRANGELY STIMULATED AFTER CHOMING A CERTAIN SHRUB BERRY. HE TRIED IT HIMSELF, AND THIS STARTED THE CONSUMPTION OF THE "KAW-VEH".

2. BECAUSE COFFEE FOSTERED THOUGHT AND DISCUSSION, MOHAMMEDAN RULERS BANNED IT IN 1530 WHEREUPON COFFEE "SPEAKEASIES" SPRANG INTO BEING.

3. WHEN THE VIENNESE FOUGHT OFF A SIEGE OF THE TURKS IN 1683, THEY CAPTURED A QUANTITY OF COFFEE, AND KNOWING NOT WHAT TO DO WITH IT, THEY WERE GOING TO DISCARD IT. A POLISH ADVENTURER, WHO BY FEAT OF DARING, HAD BEEN INSTRUMENTAL IN RAISING THE SIEGE, WITH IT HE OPENED THE WORLD'S FIRST COFFEEHOUSE IN VIENNA.

4. TODAY COFFEE STANDS ALONE AS AMERICA'S FAVORITE BEVERAGE. WITH BRAZIL, COLOMBIA, NICARAGUA, VENEZUELA, EL SALVADOR AND CUBA SERVING AS THE COFFEE COTS OF THE WORLD, THE UNITED STATES IS THE GREATEST CUSTOMER OF THIS—THE BIGGEST BUSINESS OF SOUTH AND CENTRAL AMERICA.

COFFEE CAME TO THE NEW WORLD AS AN EXPERIMENT, SHORTLY AFTER THE FIRST SPANISH EXPLORERS, AND SOON BECAME A FLOURISHING INDUSTRY.

FISH, GAME COMMISSION CHANGE PROPOSED

SACRAMENTO, April 27 —(UP)—A bill to create a five-man no-salaried fish and game commission, with six-year terms staggered, was reported favorably this week by the Assembly Constitutional Amendments Committee.

Author of the bill is Gordon Garland, D., Woodlake, who helped table an amendment that members be paid \$5,000. Another amendment changed the 10-year terms provided for in the original bill to six years, after assemblymen protested the longer terms would allow one governor to force succeeding executives to work with men he, the former, chose.

HITS AT AAA

WASHINGTON, April 27 —(UP)—Representative Thomas D. Winter, Kansas Republican, Friday introduced a bill to repeal the 1938 Agricultural Adjustment Act, foundation of the New Deal's farm program, effective January 1, 1940.

Mexicans Plan World's Exposition Next Year

The Republic of Mexico will stage a World's Fair in 1940, according to reports received by the National Automobile Club from Mexico City. This will be the first time that the Republic has had such an event and enthusiastic preparations are now under way to make the Fair a brilliant success. The Fair will present to the World the true Mexico with its progress, resources and future possibilities revealed. The setting is to be historic Chapultepec Park, utilizing the natural topography of this beautiful section of Mexico City. Although the opening date has not been announced, it will probably be sometime during February. In addition to featuring Mexico "at work", the Fair will have colorful playgrounds and amusement sections where the lure of Mexican folklore, music and dance will be attractions.

Centennial Celebration Brings Out Long Beards

SACRAMENTO, April 27 —(UP)—Hard-to-believe whisker stories were going the rounds today as the Sacramento Golden Empire Centennial Exposition sought the Nation's longest beard.

The Exposition committee announced it was looking for a beard to best that of a 17-footer hanging from the chin of North Dakota's Hans N. Langseth. The committee claimed Langseth displayed a genuine beard—no phoney—at Sacramento Days of '49 celebration in 1922, which measured 17 linear feet.

Another long beard at the Days of '49 Exposition was worn by Zach Wilcox of Carson City, Nevada. The committee swore solemnly Zach had a 12-foot set of whiskers.

Game Bird Propagation Increases Says Director

SACRAMENTO, April 27 —(UP)—A large increase in game breeding birds in Sacramento Valley this week was reported by August Bade, superintendent of the Bureau of Game Bird Propagation of the State Division of Fish and Game.

An increase in pheasant stock, especially in the Willows district.

NORDEN NOTES

By C. W. Kramer

April showers on Sunday last proved to be an April storm which lasted the greater part of the day and an inch of snow was recorded assisting in adding moisture that is lacking for the season.

Robert "Bob" Tonini's passing in Truckee last week left an irreparable loss to this community as Bob was well liked and loved among his host

ELECTION TUESDAY

Continued from Page 1

been consistent and has been conducted toward improvement, I believe. But I believe this program can be continued at less cost than has been incurred in the past. I shall if elected, deem it my duty to the district to look into the financial affair closely and eliminate all the unnecessary expense and continue to work for the development of the district.

"In looking over the budget, I find several items which I believe can be slashed without materially affecting the district's standing. Principally among these is the cost of legal expense, which in my estimation is exorbitant.

"I can make no definite promise but can only assure the electorate that I will do all in my power to promote development and continued progress of the district in an economical manner as possible."

of friends, being a man among men with a ready smile and helping hand whenever needed. This community extends to his family their deepest sympathy.

Weekend visitors in Norden included Mr. and Mrs. A. Henderson of San Mateo and Hannes Schroll the famous skier who is interested in the Sugar Bowl ski grounds and slopes.

The Norden fire train has been placed in service much earlier than in many years because of the lack of snow fall the past winter. The train is in charge of Engineer Spot Nagle and Conductor William H. Sommers with Fireman A. D. Myrick Brakeman J. F. Welton and Engine Watchman Albert Proteau comprising the balance of the crew.

James and Beatrice Flickinger spent the weekend in Norden with their parents.

Mrs. Frank H. Slater of Tunnel Six recently returned to Norden after a week among relatives in Los Angeles.

Many employees of the Southern Pacific Company plan to be present for S. P. Day on Treasure Island May 14, a day set aside to which every division of the company lines will be represented in large numbers. A queen chosen among the divisions will vie for queen to rule the day's festivities.

Art Green and Johnny Backarich have been busy making repairs to the Backarich former home.

To Study Donner Trail—

Frank Powell will accompany members of the Donner Trail Association, George Hinkle and a professor from University of California over part of the old Donner trail on Saturday. Powell has been interested in the route traversed by the travelers of early days and has been asked to assist in locating the original road.

Travelers Return—

Mr. and Mrs. Verne Shattuck returned today from an enjoyable and extensive trip to the eastern states. They went by airplane and returned in a new Buick.

Ill in Sacramento—

Mrs. P. W. Lazier is a patient at the Sisters Hospital in Sacramento where she is reported to be quite ill. She is being treated by Dr. R. O. Scofield, former resident of Hobart Mills.

CARD OF THANKS

We are deeply grateful for the many kind acts and words of sympathy extended during our recent bereavement and for the many and beautiful flowers. We take this means of expressing our heartfelt thanks.

Mrs. Annie Tonin and Family.
